

Mallory Park Road Race League

Competition Grants

Background

Mallory Park Road Race League (MPRRL) is in a position to offer some small grants to riders who competed in the MPRRL Youth League in 2016 to assist them in competing in either National Series events or Overseas events in 2017.

The objective of providing these grants is to enable participants in the 2016 MPRRL Youth League to compete in events which are expected to have larger fields and higher performance standards, enabling riders to develop new skills, broaden their racing experience and enhance their performance.

Initially the grants will be offered for 2017. If MPRRL returns an operating surplus in 2017 and these grants prove successful, the MPRRL committee may choose to continue this initiative in 2018.

Scope

10 grants of £100 are available to support riders up to and including Junior Year 1 who wish to compete in specific National Series or Overseas events in 2017. Road, Track, Cyclo Cross and Mountain Bike events will be considered.

Grants will be made to riders who competed in a significant number of 2016 MPRRL Youth League races, achieving good results in these and other races, and who wish to compete in one or more challenging events in 2017, thus enhancing their abilities.

Applications for 2017 grants will close at midnight on 31st March 2017 and successful applicants will be notified by 15th April 2017. Application forms (see below) should be submitted to youth.grants@malloryparkrrleague.co.uk

50% of the grant will be paid in advance of the event, on proof of intention to compete (eg event entry or travel booking). 50% of the grant will be paid after the event on receipt of a brief report which will be published on the MPRRL website and facebook page. Payment will be made by electronic bank transfer.

Applications will be assessed independently of the MPRRL committee and the outcome of the assessment will be final.
